

Parc linéaire le P'tit Train du Nord

Corridor Aérobie

Trail Conditions - Thursday June 21, 2018

	Le P'tit Train du Nord	<p>Open ! In Mont-Tremblant (Ironman), CLOSED on June 24 from 09:00 to 16:00 Shuttle available. For information: http://www.villedemont-tremblant.qc.ca/en/events-and-activities/703-ironman-mont-tremblant For the safety of all, at the beginning of the season, it is good to remember: To be vigilant, some sectors require more work to provide optimal conditions; Maintenance employees work hard to give you a nice surface, be courteous; Pay attention to new aspiring cyclists who are learning; The speed limit allowed on the park is 22 km / hr; Cyclists must announce themselves before passing; Cyclists must ride in single file and clear the track when stopping for a pause; Dogs are not allowed for their safety and that of cyclists; Walkers and runners must ride in the opposite direction of cyclists to maintain eye contact. And to enjoy this beautiful season in a good mood, be courteous, smile and say hello to other users !</p>
	Le Corridor Aérobie	<p>www.corridoraerobique.ca</p>
	Le P'tit Train du Nord	<p>The section between the old train station of Saint-Faustin-Lac-Carré and the former Pisciculture of Saint-Faustin-Lac-Carré will be closed for the repair of runway and paving from June 11 to July 6, 2018. A marked detour will be proposed even though it is preferable to avoid this section.</p>
	Le Corridor Aérobie	<p>www.corridoraerobique.ca</p>
	Le P'tit Train du Nord	<p>Be careful because some areas in stone dust still have ruts that will be repaired soon. Stone dust reloading operations will take place in the coming weeks. There are also some patch of gravel after work recently done in the paved area of Antoine-Labelle (Nominique and Rivière-Rouge sectors). These sections should be re-asphalted in July. In addition, major work will take place between the pisciculture of Saint-Faustin-Lac-Carré and the train station of the same name to asphalt a section currently in stone dust. The work is scheduled between June 11 and July 6, 2018. A marked detour will be available during the work.</p> <p>Info-Works Map - 2018 - Click here to consult our Google interactive map of the ongoing and planned works. This map is also very useful to know where are located the asphalted sections (green color) and the crushed stone sections (brown color).</p>

CODE OF CONDUCT IN SUMMER

ALLOWED:

- Ride in a single file when part of a group
 - Ride at a reasonable speed and carry out safe manoeuvres
 - Keep the trail clear when stopping
 - Cyclists: ride on the right side of the trail and overtake on the left only
 - Pedestrians: walk on the left side of the trail (facing cyclists and skaters)
- Bike helmet is recommended. Maximum speed recommended: 22 km/h.

PROHIBITED:

- Dogs are not allowed on any of the trails;
- All motorized vehicles are prohibited from using the trails (with the exception of snowmobiles on those sectors set aside for their use in season)
- All electric scooters are prohibited from using the trails
- For safety purposes, walkers and hikers must walk face on to cyclists and skaters. This will allow pedestrians to see approaching cyclists and give everyone enough time to react.

IN CASE OF AN EMERGENCY, DIAL 911

We ask you to please exercise additional caution to help reduce the risk of accidents on the trail
